

# It's Pollinator Week!

## Join us in celebrating Australian Pollinator Week 12<sup>th</sup> – 19<sup>th</sup> November 2017

### How can we support insect pollinators?

- Plant lots of flowering plants
- Don't use insecticides
- When pruning, bundle hollow stems together for cavity-nesting insects

- find information, find a group activity, share ideas, share your pictures

# It's Pollinator Week

12 – 19<sup>th</sup> November 2017

## Did you know ...

- Pollinators drive biodiversity?
- 75% of flowering plants rely on insect pollinators to reproduce?
- The world is suffering major pollinator declines?

## How can we support insect pollinators?

Plant **lots** of flowering plants

Don't use insecticides
